WALLCOVERINGS

LOFT
superior

Quality Wallcoverings designed, developed
and produced in Germany since 1845.

LOFT *superior*

Die Vielfalt der Strukturen und Materialien macht einen Teil des Charmes von Brooklyn aus. Backstein, Zement und Beton kombiniert mit natürlichen Farben lassen alles edel und wohnlich erscheinen.

The variety of structures and materials is part of Brooklyn's charm. Brick, cement and concrete combined with natural colors make everything look classy and comfortable.

La diversité des structures et des matériaux représente le charme de Brooklyn. La brique, le ciment et le béton mélangés à des couleurs naturelles rendent le tout élégant et accueillant.
