PURE AND SERENE

A decorative arrangement featuring a clear glass vase with dried branches on a wooden side table against a patterned wallpaper. The wallpaper has a repeating pattern of stylized, overlapping leaf or feather shapes in a light beige color. The vase is cylindrical and transparent, holding several thin, dark brown, leafless branches that spread outwards. The vase sits on a dark-stained wooden side table with a curved top and a small, dark, rectangular cutout on its side. The overall aesthetic is modern and minimalist.
