ARCHÈ

Un flusso continuo di bellezza tra un Mix & Match di segni e stili.

Ogni giorno ci imbattiamo in una serie di immagini e forme che si ripetono più e più volte intorno a noi, di cui ci sembra di conoscerne il significato da sempre; oggi questi segni “archetipi” assumono un ruolo guida nella trasformazione degli ambienti.

Cristiana Masi pone il flusso temporale come dettaglio cardine del progetto, integrando il passato negli elementi della contemporaneità.

Un cast di disegni e colori tali da generare e definire una sinfonia creativa che appare concettualmente e visivamente sbalorditiva.

Archè racconta un viaggio tra scenari, immagini, colori e sensazioni che definisce un linguaggio nuovo, capace di creare contrasti e armonie cromatiche, rivoluzionando ogni tipo di ambiente domestico.

A continuous flow of beauty between a Mix & Match of signs and styles .

We encounter everyday a series of images and shapes repeating more more around us, for which it seems to us to know the meaning forever ; today these “archetypes “ signs play a guiding role in the transformations of rooms.

Cristiana Masi puts the timestream as cornerstones detail of the project by integrating the past into the contemporaneity's elements.

A cast composed by designs and colours to create and define a creative symphony appearing conceptually and visually stunning.

Archè tells about a journey through scenarios, images, colours and sensations by defining a new language able to create contrasts and chromatic harmonies and revolutionizing every kind of home environment.
