We know a thing or two about wallpaper

For over seventy years, we have produced unique wallpapers exclusively at our Hohenberg site. Now in the third generation, we still strive for the highest standards of design, quality, sustainability, and healthy living.

„What makes us different? our experience? our sophisticated technology? or is it our flair for innovation? All of these, for sure! But most of all, it's our passion for the product”

Ralf Taubert
CEO

Sustainable and healthy living Made in Germany

When it comes to sustainability and healthy living, we make no compromises. That's why all of our wallpapers are made sustainably exclusively in Germany. We do not need PVC, plasticizers and solvents. So our wallpapers are 100% healthy.

AZULEJO

The flair of Portugal

Anyone who has been to Portugal knows them: Azulejos - the blue, and sometimes colourful, ceramic tiles that decorate houses, squares, castles or churches. Entire walls and facades are magnificently decorated with them.

You can now bring the beautiful look of Portuguese tiles into your home with wallpaper from Hohenberger. Typical patterns and the dominant blue are reminiscent of Azulejos and the sunny holiday country.

In the Hohenberger AZULEJO collection, other soft colours are combined with the blue to create a very harmonious overall pattern. Unlike the glazed Portuguese tiles, the wallpapers impress with a fine chalk matt finish, which makes the collection very noble and results in a very special feel.
