We know a thing or two about wallpaper

For over seventy years, we have produced unique wallpapers exclusively at our Hohenberg site. Now in the third generation, we still strive for the highest standards of design, quality, sustainability, and healthy living.

„What makes us different? our experience? our sophisticated technology? or is it our flair for innovation? All of these, for sure! But most of all, it's our passion for the product”

Ralf Taubert
CEO

Sustainable and healthy living Made in Germany

When it comes to sustainability and healthy living, we make no compromises. That's why all of our wallpapers are made sustainably exclusively in Germany. We do not need PVC, plasticizers and solvents. So our wallpapers are 100% healthy.

GREAT KIDS

Lifestyle in the kids' room

A lamb with a kissing mouth. An astronaut reaching for the stars. And a friendly fox that would never steal a chicken. Plus cheerful polka dots, stripes and hearts. All in soft, trendy colours. That's Great Kids, the new wallpaper collection from Hohenberger, designed to appeal to children just as much as their lifestyle-oriented mums and dads. And that's not just a phase.

The GREAT KIDS collection by Hohenberger was created in collaboration with the Berlin designer Jenny Pilz, who has been designing wallpaper collections for the high-end sector across the world for 20 years. Jenny has deliberately done away with the division into typical girl and boy styles. Instead, the charming motifs are offered in five colour moods that are homely, harmonious and anything but loud. This way, the designs can also be perfectly combined.

The background of the image shows two different wallpaper designs. On the left, a light-colored wallpaper features a whimsical illustration of a white unicorn with a red heart on its forehead and a small black horn. Below the unicorn, there are colorful triangular bunting flags in blue, red, and yellow. On the right, a dark blue wallpaper features a stylized illustration of a person in a white and blue outfit, possibly a dancer or a figure in a costume, with yellow accents. The person is surrounded by small white stars and a yellow crescent moon. The Hohenberger logo is positioned at the top center, consisting of the brand name in a serif font and the company name in a sans-serif font, both in white on a dark blue rectangular background.
