

CITY ROMANCE

A highlight of the collection are the three captivating wall murals, which appear like works of art on the wall. An enchanting forest, in a colour palette of beige, grey, and wool white, draws the viewer into a quiet and mysterious world.

CITY ROMANCE

The Lost Elegance of Bygone Times

CITY ROMANCE: Inspired by the timeless beauty and splendour of past eras, the CITY Romance collection captures the romance and elegance of historical palaces. The gentle patina that adorns the wallpapers tells stories of glamorous evenings and festive nights. With CITY ROMANCE, you journey into a world full of grandeur, where every room exudes the charm of a Florentine palace and revives the atmosphere of long-gone times.

Highlights of City Romance

01 The plains create the impression of walls that have gently aged over the years.

02 Subtle metallic elements shimmer gently, depending on the angle of the light.

03 The design creates a calm and harmonious foundation for the space.

04 The delicate shine adds a luxurious yet understated atmosphere to the room.
