

POMPOOS PROVENCE

WALLPAPER COLLECTION

marburg

"Pompöös Provence is a tribute to the opulent elegance of the South of France. Inspired by the picturesque beauty of Provence, the collection blends extravagant elements of style with the natural grace of the region. Each design tells its own story, transforming spaces into places of luxury and sophistication. "Pompöös Provence" not only reflects Harold Gloockler's unmistakable style but also showcases the craftsmanship of the Marburger Topetenfabrik.
