TERRA

WALLPAPER COLLECTION

HIGHLIGHTS OF TERRA

1.

TERRA uses clay, one of the oldest and most ecological building materials, to create a wallpaper that is not only good for the environment but also ideal for well-being. Sourced locally and free from harmful substances – for a healthy home.

2.

The breathable wallpapers regulate humidity and help reduce fine dust and pollutants. TERRA creates spaces that promote comfort and breathing.

3.

The wallpapers are crack-bridging, lightfast, and fire-resistant. Their design offers not only aesthetic diversity but also practicality for everyday use. Ideal for sustainable living spaces.

4.

TERRA offers a wide range of designs, from minimalist concrete and clay brick looks to intricate leaf and stone patterns. Each design brings the natural beauty of the earth into your home.
