CLASSIC MASTERPIECES

Walls That Tell a Story

The Victorian & Classic Wallpaper Collection celebrates timeless elegance through designs inspired by art, tradition, and refined details. Featuring intricate patterns, rich textures, and classic motifs, this catalog showcases wallpapers that bring depth and sophistication to any interior.

This collection also highlights Luxury Feature Walls—designs created to be the centerpiece of a room. With their bold artistry and detailed finishes, these wallpapers transform plain walls into striking focal points that embody elegance and grandeur.

From ornate flourishes to statement murals, every design is crafted to capture the essence of classic beauty. Ideal for creating an atmosphere of luxury, warmth, and timeless charm, the Victorian & Classic series makes every wall a masterpiece.

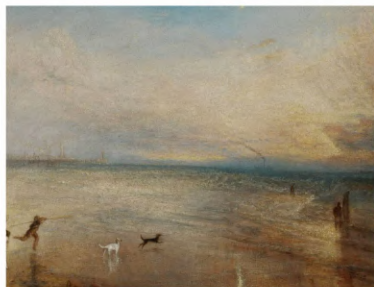

GRAHAM & BROWN

Fuseli The Sheherd's Dream

Featuring several supernatural beings, from witches to fairies, circling above a sleeping shepherd, this ethereal painting tells the story of the poem *Paradise Lost*.

GRAHAM & BROWN

Turner The New Moon

This seascape depicts the coast of Margate, Kent, where Turner would often visit in his later years.

GRAHAM & BROWN

Constable Hampstead Heath

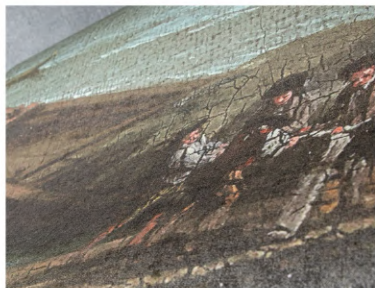

Seen from the viewpoint of Albion Cottage, Hampstead Heath, with the House Called 'The Salt Box' depicts the scenery Constable enjoyed each Summer on his annual trips to Hampstead. One of his earlier pieces, this artwork features cloud studies, which was a subject matter he frequently returned to.

HONPO CRAFTWALL

Craftwall Elav

Soft, artful forest imagery drapes this wall mural in muted beige, cream, and light brown tones, evoking a tranquil autumnal woodland. The backdrop suggests delicate tree silhouettes and subtle foliage in painterly strokes, blending classic styling with nature-inspired elegance.

HOHENBERGER

GMM Paris City View

A graceful cityscape unfolds with a river winding beneath classical bridges, while historic buildings and spires rise against a soft, pastel sky. The muted tones of grey, blue, and cream lend a romantic, vintage ambiance, evoking a timeless Parisian charm.

HOHENBERGER

GMM Unicorn At The Fountain

A fantasy-style mural featuring a unicorn by a fountain, surrounded by figures and natural elements. The design uses lush green tones and a matte, smooth finish.

HONPO

Tone Terrain

"Toned Terrain" is a striking monotone and colored mural wallpaper that immerses you in a dense, monochromatic woodland panorama. Beautiful tree arrangements create a sense of depth and mystery, this wallpaper is perfect for creating a dramatic and sophisticated atmosphere in any room.

WILD PALACE

Sheaves Of Wheat Vincent Van Gogh (1890)

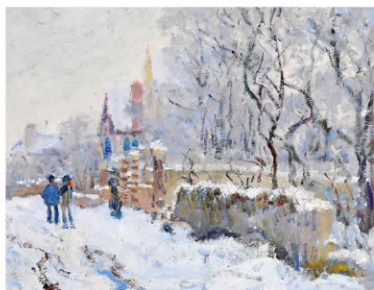

A pastoral landscape mural by Van Gogh showing golden sheaves of wheat under a muted earthy sky. Dominated by warm browns, soft golds, and subtle natural hues, with textured brushstrokes that evoke rustic countryside charm.

WILD PALACE

Verdant Riverie

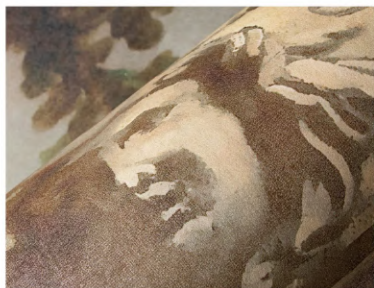

Lush forest / botanical mural with deep greens, misty foliage, and soft beige & cream tones. Creates a natural, immersive vibe — perfect for a living wall that brings the outdoors in, or paired with minimalist furniture to add texture and calm.

WILD PALACE

Snow at Argenteuil

A serene winter landscape by Monet: streets and rooftops gently blanketed in snow, muted tones of blue, grey, and soft white dominate. The atmosphere feels hushed and reflective, with loose brushstrokes that blur edges and add a dreamy softness.

HOHENBERGER

GMM Historical Parrots & Monkey 26989-HTM

Ornate mural featuring majestic parrots and lush foliage, rendered in rich earthy tones and classic style.

GRAHAM & BROWN

Sletter A Representation of The Liberal Arts

Perfectly suited for feature walls, grand foyers, or library settings, the mural transforms any space into a refined statement of art and history.

HOHENBERGER

GMM Classic Rome | 2700-HTM

Elegant mural featuring classical Roman arches and architectural details in soft beige tones, creating a timeless and luxurious statement wall.

WILD PALACE

Argenteuil - Claude Monet (1875)

Soft rural river valley scene with trees, rolling hills, and serene light — a peaceful non-woven mural with muted pastel tones.

WILD PALACE

Landscape, Ile-De-France Camille Pissarro (C.1870S)

A calm countryside scene with open fields under a soft, pastel sky; muted greens and earthy tones dominate, with gentle brushwork giving a soothing, organic texture. Perfect as a feature wall to bring serenity and a sense of spaciousness into living rooms, dining areas, or calm study corners.

KEK

Engraved Landscapes Design VI

The drawn landscapes and views in this wallpaper give a special spatial effect. Extremely suitable if you don't want too much colour on the wall, but still want to give your interior a little more atmosphere.

KEK

Landscapes Tapestries Design I

This painted cloudy sky looks very real. The image is so detailed, you can even see the small cracks in the canvas. Restful for the bedroom, with a nicely made bed in front of it with lots of pillows. An absolute eye-catcher.

WILD PALACE

The Louvre, Morning, sun Camille Pissarro (1901)

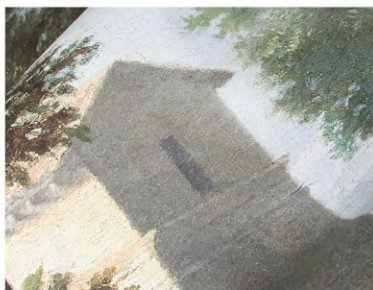

Soft, painterly mural of The Louvre at dawn, bathed in warm light and gentle color — an elegant statement for refined interiors.

HOHENBERGER

GMM Campo Vaccino

Elegant mural wallpaper depicting Campo Vaccino, Rome with soft beige and earthy tones, printed on non-woven substrate.

HOHENBERGER

GMM Peace And Serenity

Elegant mural depicting a misty landscape of classical architecture and serene skies — evokes timeless beauty and tranquil ambience.

WILD PALACE

The Village Of L'estaque Seen From The Sea - Paul Cézanne

A serene seascape wallpaper featuring a quaint coastal village with soft tones of blue, ivory, and terracotta. The delicate architecture and gentle waves evoke Victorian elegance and timeless charm.

HOHENBERGER
GMM Castle

A majestic coastal castle rises from a tranquil sea backdrop, its silhouette framed by soft clouds and gilded sunlight. Subtle tones of ivory, seafoam green, and warm beige blend to create a romantic, timeless scene.

WILD PALACE

Mountain Landscape Behind The Saint Paul Hospital - Vincent Van Gogh (1889)

A sweeping, painterly mural reproduction inspired by Vincent van Gogh's "Mountain Landscape Behind the Saint-Paul Hospital" (1889), featuring rolling hills, olive trees, and a moody sky rendered in rich blues, greens, and earthy tones.

WALLCOLORS

Ethereal Forest Wallpaper

Great as a full feature wall in a living room, bedroom, or study to bring a sense of calm nature indoors. In neutral interiors, the beige version adds warmth, while the blue one introduces a cool, tranquil touch.

WILD PALACE

Hip, Hip, Hurrah!

Peder Severin Krøyer

The artwork evokes a lively yet relaxed ambiance. The mural version is rendered with high fidelity to the original painting's brushwork and composition, translated into wall-scale format with attention to texture, detail, and color balance.

FEATHR

Calabria FE47001

A refined wallpaper design that blends soft, muted tones and subtle texture, ideal for creating a calm, elegant backdrop. The pattern is understated — likely with natural or linen-inspired cues — making it an excellent choice for pairing with a feature wall or anchoring minimalist interiors.

WILD PALACE

Spring In Giverny Claude Monet (1890)

A soft impressionist mural with blooming flowers, pastel pinks, and fresh greens, creating a serene garden view. Perfect as a feature wall to bring brightness and elegance into living rooms, bedrooms, or reading spaces.

HOHENBERGER

GMM Fountain | 27019-HTM

Elegant mural featuring Venus beside a graceful fountain, with soft classical tones and romantic detailing.
