壁紙屋本舗

# ABOUT

Enhance your restaurant's ambiance with Oriental and cultural wallpapers that blend tradition and artistry. Featuring Japanese cranes, mythological creatures, and traditional motifs, these designs create an authentic and elegant atmosphere. With earthy tones, sumi-e brushstrokes, and rice-paper textures, they bring warmth and depth to Japanese teahouses, Chinese dim sum spots, and fusion restaurants. Whether you choose serene landscapes or bold murals, these wallpapers offer a perfect balance of modern aesthetics and timeless tradition for a truly immersive dining experience.

REBEL WALLS

## Fantasy Tree

Immerse yourself in the ethereal charm of a misty landscape, where delicate wisps of fog dance around a picturesque tree, gracefully reflected in the calm waters of a tranquil lake. The intricate details of Fantasy Tree capture the essence of a Japanese garden, evoking a sense of tranquility and harmony in your restaurant surroundings.

ISIDORE LEROY

# Jardin des Oiseaux

Jardin des Oiseaux is a reinterpretation of a great classic of decoration, the Chinoiserie. A very iconic style that mixes reality and imagination.

# Kagami Lake

Kagami Lake Mist is a Japanese sakura lake wallpaper mural, an ode to the reflective beauty of Japan's tranquil waters. Named 'Kagami' for 'mirror', this mural captures the stillness of mirror-like lakes, draped in the softness of sakura whispers. Each detail is meticulously rendered, promising a mural of exceptional quality and finesse.

## COLOR VARIATIONS

# Tsuru Indigo

With a captivating pattern on a deep blue background, the TSURU Indigo Wallpaper pays homage to the Japanese cranes, known as a symbol of luck, longevity, and fidelity. Red-crowned cranes make a beautiful contrast against the dark background of this premium wallpaper, highlighting the elegant Asian symbols.

FEATHR

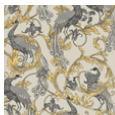

# Arcadia

This green & gold vintage peacock wall mural is influenced by the Mingei Folk Art movement of 19th century Japan and is sure to create an opulent space in the home. The Arcadia wall mural focuses on the peacock as a way to highlight beauty and rebirth and comes with metallic flourishes that draw in the eye.

MARBURG

# Memento

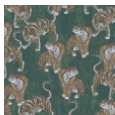

Tigers, which are the main pattern, have been intricately decorated with shiny quartz sand. Three interesting colors – dark green, ginger and subdued beige allow you to use the wallpaper as a stronger or more subtle accent. The memento collection also includes subdued wallpapers dedicated as a background, which perfectly match this African-inspired wall covering.

ARTE

## Tigris

### White Tiger

This bold design illustrates Tibetan tigers in an eclectic way. Tiger carpets are important in Tibet for meditation and they protect against negativity. The unique pearl on linen shines because of the metal touch. There are subtle references to the Tibetan culture.

HOHENBERGER

# Batik

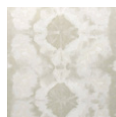

A gorgeous and adventurous design featuring a rustic batik effect, with a blending of tie-dye effect on a contrasting background. Please note: This wallpaper is wide width. Actual pattern repeat is 90cm. Seen here in the Taupe Grey colourway.

## COLOR VARIATIONS

SLATE GREY

TAUPE GREY

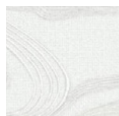

MARBURG

# Smart Art Aspiration XXIII

Intricate Japanese stork mural glide across your walls, symbolizing prosperity and strength while enhancing the cultural depth of your restaurant space.

WALLCOLORS

## Japanese Wallpaper

Japanese wallpaper brings the elegance and subtlety of Japanese aesthetics into interiors, featuring motifs inspired by the traditional art and culture of the Land of the Rising Sun. This harmonious design, full of delicate flowers, geometric shapes, and tranquil colors, is perfect for creating a space that breathes peace and balance.

HONPO

# Majestic Pelican

A soaring pelican against a crimson sunset brings a sense of grace and longevity, transforming your space into a serene yet powerful atmosphere. A timeless tribute to Japanese heritage.

MINDTHEGAP

## Byobu

Just as the original wind walls of the Japanese culture are rich in decorative painting and calligraphy, this abundant design sets a perfectly unique atmosphere, dominated by whimsical delicate flowers, birds and soft calligraphy. Bold shades of red and green peak through a golden background, highlighting each element in this complex layout.

ARTE

# Selva

## Pandan

Wickerwork in tile shape is inspired by the tropical plant pandan. The fibres of this plant are diagonally cut into strips and are interwoven. The clean, diagonal lines appear less abstract thanks to the natural look and feel.
