AY25

HONPO

Moya II

The Wabisabi Moya II wallpaper by Honpo embodies the Japanese aesthetic of 'wabi-sabi,' celebrating the beauty in imperfection and transience. Featuring subtle textures and muted tones, this wallpaper adds a serene and organic ambiance to any space. Its minimalist design complements modern interiors, creating a calming atmosphere ideal for both residential and office environments.

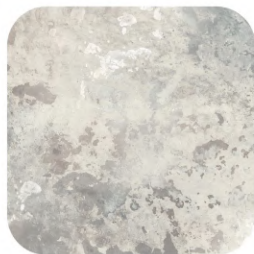

HW-007

REBEL WALLS

Fragments

The Rebel Walls Fragments R15471 is a custom-sized mural wallpaper that creates the effect of a rough-textured concrete wall with peeling paint, adding an industrial touch to your space. Its smoky grey tones and subtle warmth provide a soft yet intriguing expression, grounding the room with its darker shade at the bottom. Ideal for office spaces, living rooms, bedrooms, or kitchens, it's sold per square meter with a minimum order of 3 m².

REBEL WALLS

Patina

The Rebel Walls Patina R12731 wallpaper is a hand-painted design that imparts a vintage, patinated feel to any room. Its elegant, worn appearance adds depth and character, making it ideal for creating a sophisticated atmosphere in your space. Sold per square meter, it is customizable to fit your wall dimensions, ensuring a perfect fit for your interior.

REBEL WALLS

Battered Wall

Introduce an authentic industrial charm to your office with the Rebel Walls Battered Wall wallpaper (R12791). This mural captures the essence of a weathered café wall, featuring layers of peeling paint in subdued blue and white tones, adding depth and character to your workspace. Printed on premium non-woven material, it ensures durability and a matte finish that enhances the realistic appearance. The wallpaper is customizable to fit your wall dimensions, allowing for a tailored installation that seamlessly integrates with your office's aesthetic.

REBEL WALLS

Rip Off

Enhance your industrial office aesthetic with the Rebel Walls Rip Off mural wallpaper. This distinctive design features a trompe-l'œil effect of peeling paint and layered textures, evoking the raw, unfinished charm characteristic of industrial spaces. The muted color palette and intricate detailing create a striking focal point, adding depth and character to your workspace. Crafted from high-quality, non-woven materials, this wallpaper ensures durability and ease of installation, making it an ideal choice for transforming your office into a modern, urban environment.

REBEL WALLS

Wooden Concrete

The Wooden Concrete wallpaper from Honpo combines the natural warmth of wood with the raw, industrial appeal of concrete, making it an excellent choice for office spaces seeking an industrial aesthetic. This design features a realistic blend of wood grain and concrete textures, adding depth and character to walls. Its neutral color palette allows for versatile integration with various office furnishings and décor, creating a balanced and inviting atmosphere. By incorporating this wallpaper, you can achieve an industrial look without the need for extensive renovations, offering a practical and stylish solution for modern office interiors.

REBEL WALLS

Flow White

Introducing the Rebel Walls "Flow, White" wallpaper (R12572), a sophisticated choice for enhancing your industrial office environment. This design features a unique, handmade marbling technique, offering a slightly darker and more dramatic interpretation of classic white marble. The intricate patterns and subtle contrasts add depth and character, seamlessly blending with industrial aesthetics. Crafted on premium non-woven material with a matte finish, this wallpaper ensures durability and a refined appearance. Available in both traditional paste-the-wall and peel-and-stick options, it accommodates various installation preferences. Elevate your workspace with the timeless elegance of "Flow, White," creating a professional and inspiring atmosphere.

ISIDORE LEROY

Ecorce

The Isidore Leroy Écorce wallpaper brings the serene beauty of birch tree trunks into your space, offering an industrial yet natural aesthetic. Its vertical lines and subtle color variations add depth to walls, creating a calming atmosphere. Made from durable non-woven material, it's both washable and easy to install. Available in various colors, including Original, Caramel, Blue Green, Grey, Saffron, and Indigo, it can be customized to fit your wall dimensions. Each set includes four 50 cm wide strips, covering a total width of 2 meters and a height of up to 3.3 meters.

MARBURG

Novamur Kylie III

The Marburg Novamur Kylie III wallpaper offers a sophisticated design that can complement various interior styles, including industrial-themed office spaces. Its subtle patterns and neutral tones provide a versatile backdrop, adding depth and character to walls without overwhelming the space. This wallpaper's high-quality material ensures durability, making it a practical choice for busy work environments. By incorporating the Kylie III wallpaper, you can achieve a refined and contemporary look that enhances the overall aesthetic of your office.

MARBURG

Imagine I

Marburg's Imagine I wallpaper collection offers designs that authentically replicate natural materials like stone and concrete, bringing an industrial aesthetic to interiors. These wallpapers are ideal for creating a loft-style atmosphere, making them a perfect fit for industrial-themed office spaces. The realistic textures and patterns add depth and character, enhancing the workspace with a modern, edgy vibe.

MARBURG

Struktura I

The Struktura III wallpapers, models 1145765 and 1145764, are designed to bring a contemporary industrial aesthetic to office spaces. Featuring textured patterns that mimic raw materials like concrete or plaster, these wallpapers add depth and character to walls. Their neutral color palettes allow for seamless integration with various design elements, making them a versatile choice for enhancing modern office environments. The Struktura III wallpapers, models 1145765 and 1145764, are designed to bring a contemporary industrial aesthetic to office spaces. MARBURG

GZSZ IX

The Marburg GZSZ IX wallpapers, models 1134833 and 1134834, are inspired by the German TV series “Gute Zeiten, schlechte Zeiten” and are designed to bring an industrial aesthetic to your office space. Featuring realistic brick patterns in neutral tones, these wallpapers add depth and character to walls, creating a contemporary urban atmosphere. Their non-woven material ensures durability and ease of application, making them a practical choice for modern office interiors.

MARBURG

Earth

The Marburg Earth 1199128 wallpaper is an excellent choice for enhancing industrial-style office spaces. Its design emulates the raw textures of concrete, bringing an urban and modern aesthetic to your workspace. This wallpaper's realistic concrete appearance adds depth and character, creating a minimalist yet sophisticated environment that aligns perfectly with industrial design principles. Additionally, its neutral grey tones provide a versatile backdrop, allowing for seamless integration with various office furnishings and decor. By incorporating this wallpaper, you can achieve an industrial look without the need for extensive renovations, offering a practical and stylish solution for office interiors.

1199128

MARBURG

Air XIX

The Marburg Air IX wallpaper (1195020) offers a minimalist design with a subtle texture, making it an excellent choice for industrial-themed office spaces. Crafted from high-quality non-woven material, this wallpaper is both durable and easy to apply. Its neutral color palette complements various interior styles, adding a touch of sophistication to your workspace.

MARBURG

Natural Opulence II

The Natural Opulence II collection by Marburg offers a range of wallpapers that embody elegance and sophistication. Featuring designs inspired by natural textures and materials, these wallpapers bring a touch of refined luxury to any space. Their subtle patterns and neutral color palettes make them versatile choices for various interior styles, adding depth and character to your walls.

MARBURG

Travertino Design VI

The Travertino wallpaper collection offers a sophisticated stone-like texture that brings an elegant and natural ambiance to any space. Its realistic travertine design adds depth and character, making it an excellent choice for creating an industrial-chic aesthetic in office environments. The neutral tones and tactile surface complement modern furnishings, enhancing the workspace with a refined, contemporary feel.

MARBURG

The New Texture

The Marburg 1134154 wallpaper from the New Textures collection offers a sophisticated blend of modern design and subtle texture, making it an excellent choice for industrial-style office environments. Its neutral color palette and refined pattern add depth and character to walls without overwhelming the space. This wallpaper complements industrial elements such as exposed metal and wood, enhancing the overall aesthetic of the office. Additionally, its high-quality materials ensure durability, making it a practical solution for busy workspaces.

1134154

RASCH

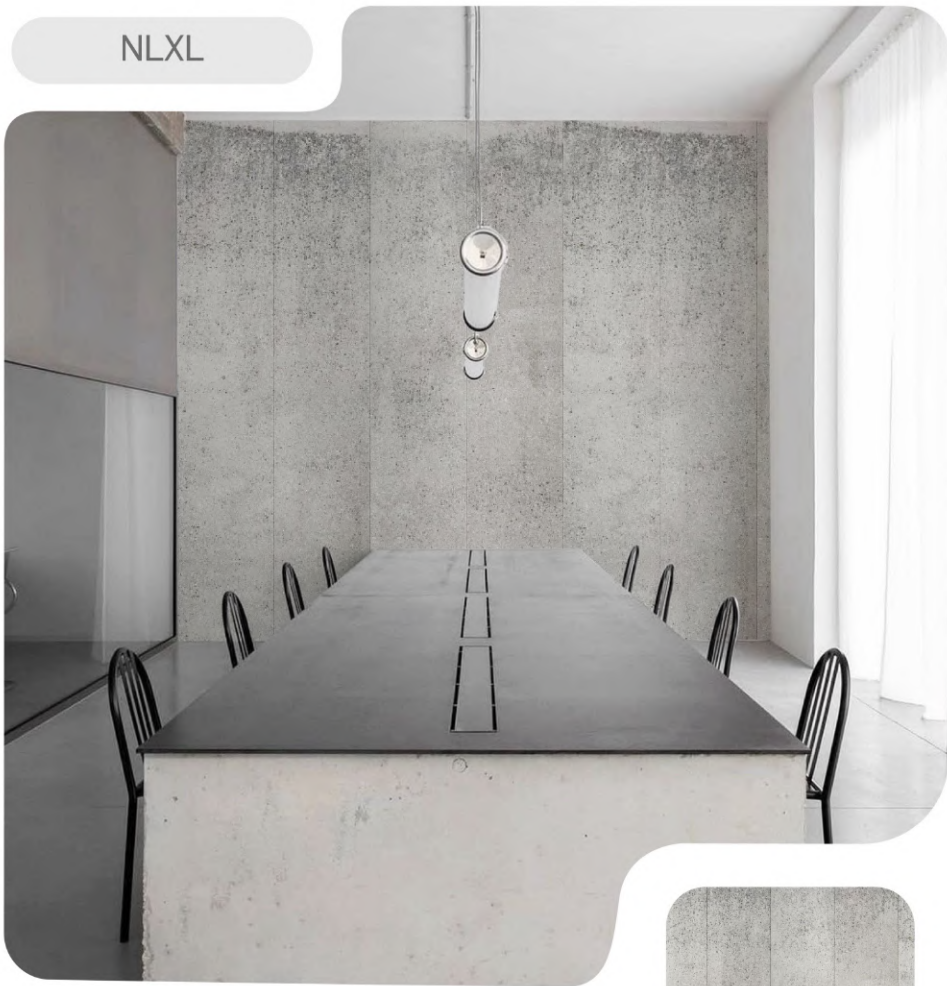

Symphony

The Rasch Symphony 865721 wallpaper features a beige, textured brick design that adds an industrial flair to office spaces. Measuring 10.05 meters in length and 0.53 meters in width, it's made from non-woven material, ensuring durability and easy application. The realistic brick pattern creates a raw, urban atmosphere, making it an excellent choice for achieving an industrial look in your office without extensive renovations. Its neutral beige tones provide versatility, complementing various office furnishings and decor.

865721

NLXL

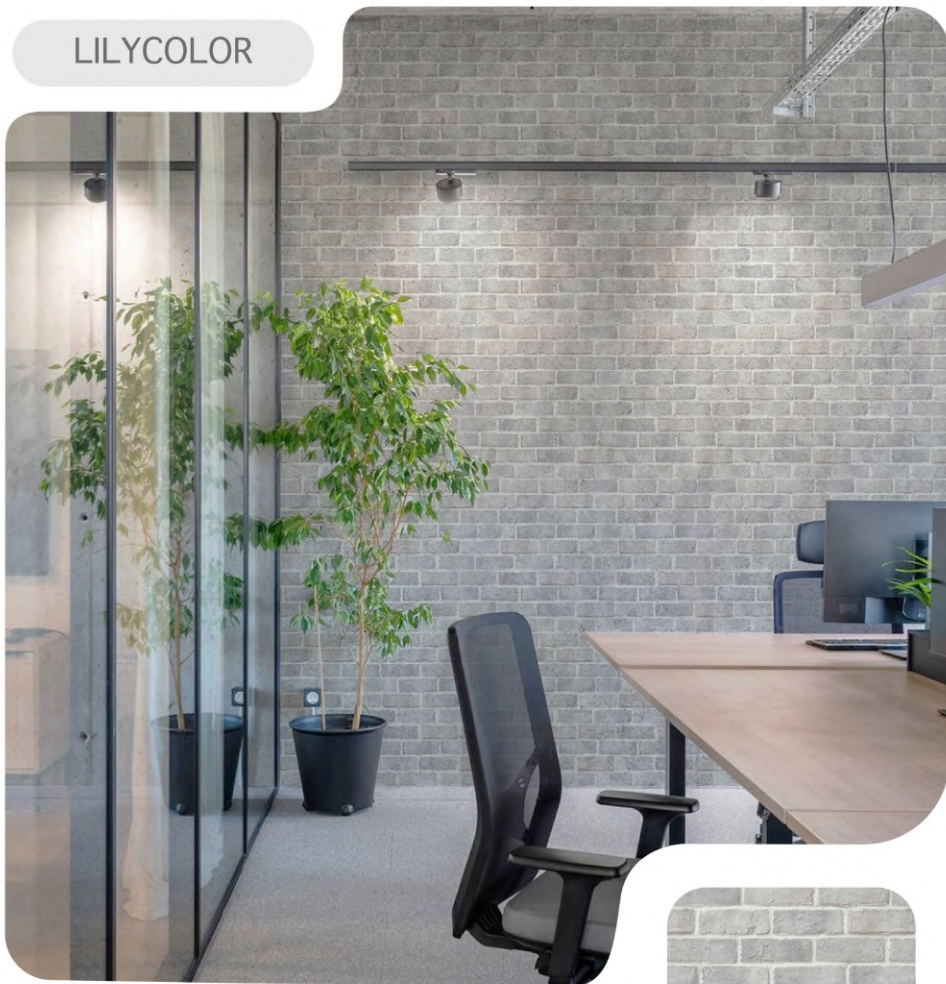

Concrete Wallpaper by Piet Boon

The NLXL CON-05 Concrete Wallpaper by Piet Boon offers a realistic weathered concrete design with subtle moss details, ideal for adding industrial charm to office spaces. Its neutral gray tones provide a versatile backdrop that complements various furnishings. Made from durable, non-woven material, it's colorfast and washable, ensuring longevity in busy environments. Installation is straightforward, with glue applied directly to the wall.

CON-05

LILYCOLOR

Grey Brick

The Lilycolor LV3231 Grey Brick wallpaper is an excellent choice for creating an industrial aesthetic in office spaces. Its realistic grey brick pattern adds a raw, urban charm that complements industrial design elements. This wallpaper's neutral tones provide a versatile backdrop, allowing for easy integration with various office furnishings and decor. By incorporating the LV3231 wallpaper, you can achieve an industrial look without the need for extensive renovations, offering a practical and stylish solution for office interiors.
